

Guidelines on the use of the forum on the Framework for Mental Health in Multicultural Australia (the Framework)

Please adhere to the following guidelines when using the online forum to create a safe and meaningful space for discussion.

This forum will be used to:

- Post information about the Framework
- Allow users of the Framework to post questions and answers regarding the Framework
- Share knowledge about how the Framework is being implemented

Forum users are to adhere to the following guidelines at all times:

DO:

- Ensure posts are relevant to the Framework
- Ensure that your posts are cordial and professional at all times
- Respect others' points of view and be polite
- Be sensitive to cultural differences
- Only information relevant to the thread topic should be posted
- Use the 'report' function should any posts break guidelines

DO NOT:

- Post anything that contains advice or content that is offensive, damaging, unhelpful or distressing to others
- Use CAPITAL LETTERS, this may be seen as shouting

Embrace Multicultural Mental Health reserves the right to remove any content that is deemed unacceptable.
